- Bike port - Aluminium framed shelter with glass roof and composite wood effect slatted panels

Solar power

Bike port

E-bike charging post and battery storage

# Additional Information

## Warranty

A 5 year warranty is supplied on the structure of our products covering normal use for the purposes of meetings. In addition, the benefit of any manufacturer's warranty given by a third party supplier of goods will be assigned to the buyer. No liability will be accepted for any defect arising from fair wear and tear, wilful damage, negligence, misuse, alterations or repairs without the seller's approval in writing.

## Acoustics

Designed and manufactured by us with acoustics at the forefront of consideration. We have integrated premium materials to maximise our pods acoustic properties, with independent laboratory testing to BS ISO 23351-1:2020 standards to ensure the highest levels of performance.

## Installation

For all UK orders, our own engineering team will deliver and install your products.

- Requirements for installations are;
- Local parking
  - Access information to installation site
  - Completion of pre-installation questionnaire
  - Confirmation if site induction required

## Worldwide Delivery

Our products can be shipped worldwide.

We do not install outside of the UK. Self assembly will be required; however, we will provide a fully comprehensive installation guide along with helpful 'how to' videos to assist with the build of each product.

# OUR STORY

## EXPANSION

Our first business move was from a 450 square foot workshop to a fully operational 3,500 square foot industrial space

## PRODUCT GROWTH

In 2019, after much demand, the first outdoor pod product was designed and brought to the market

## THE PANDEMIC

The 2020 pandemic stimulated an explosion in global demand for outdoor pods with completed projects in the US, Europe and Middle East

## OUR SUCCESS

In 2021 following rapid growth we moved into our latest 10,000 square foot manufacturing facility, housing a work force of over 25 staff

## HOW IT STARTED

Mike, the CEO of a successful research agency, couldn't find a suitable meeting pod for his business, so he commissioned Tom (his carpenter son-in-law) to build one

## THE MEETING POD CO WAS BORN

In 2016 Tom's unique curved design received unanimous praise from Mike's staff and clients and so The Meeting Pod Co Ltd was established

## A BIT OF HOME

Inspired by the yachting location, the pods adapted high quality composite materials associated with the Isle of Wight's boat building industry
